WELCOME ABOARD

A warm welcome to our brand new 2025 Brochure.

We are delighted to introduce to you another exciting selection of Holidays, Short Breaks and Day Trip destinations through the UK and Europe.

2024 far exceeded our expectations and has proven to be even busier and more popular than 2023 which is fantastic to see. This has given us a huge appetite to do more in 2025.

Whether you want to slow down, take in the sights, meet new people and make more lasting memories then why not join us on a day out, a weekend away or a longer holiday? Nowhere is too far from home, so keep turning these pages... we hope you will find something exciting.

Within a few hours, you can escape to the beautiful UK countryside and take a ride on a nostalgic train journey, embark on a charming river cruise, wander through landscaped gardens or explore historic houses and castles. Don't miss those trips where we also include a delicious cream tea or lunch time treat.

Inside this brochure you will discover a wonderful and wide variety of Holidays, Short Breaks and Day Trips. Each one has been carefully designed to offer you those all-important factors; ease, comfort and quality.

For 2025 we have taken note and added more Warner Hotel stays for you with a different resort to pick from each month, from a few long weekends to start off your year to our familiar Monday to Friday breaks including their new hotel The Runnymede in Windsor!

In addition we are heading to a number of locations never visited before such as the Costa Brava, the Isle of Man, the Black Forest and spectacular Norway. We can't wait to see you booked on these incredible new holidays!

You can book early with confidence and peace of mind, from as little as a £50 deposit on any of our breaks which include a minimum of one excursion within the price. Details of all of these are listed clearly on each page as well as hotel facilities and amenities.

On all trips be sure to ask a member of the team if you would like to know more about the itinerary, such as length of time on the coach, walking distances and accessibility. We're here to help! 😊

We would like to take this opportunity of thanking you, our loyal customers for your ongoing support and to welcome new customers who have just discovered us.

Bayliss DAY TRIPS

Our Day Breaks are carefully crafted to ensure you get the most out of your day with us. Many of our guided tours, river cruises and rail journeys include lunch or a cream tea for you to enjoy.

Your comfort is our priority and all travel arrangements have been made with this in mind. A comfort stop will always be planned en route and return travel will follow a similar schedule when possible. For those trips where the itinerary requires it, we will appoint an on board dedicated host. This enables us to provide increased attention to you while ensuring your comfort and safety throughout the day.

WALKING INFORMATION: Please be aware there there will be some walking required on most of our day trips. Depending on the itinerary this will be as little or as much as you wish, but may not be suitable for those with walking difficulties. Please enquire at time of booking.

FEEDER INFORMATION

Due to the high number of pick up points which are now available, we understand the journey to be a little longer than comfortable. Therefore for 2025 we will provide a feeder service to and from a main pick up point to reduce your journey times. This will be based on the length of journey and the confirmed number of pick up points on any relevant day. We will always advise this information to you in advance. Along with the new pick up points we've introduced, we hope you understand how seriously we have taken your feedback.

CAN'T SEE WHAT YOU'RE LOOKING FOR?

Don't worry, we will be adding in more trips throughout the year for later dates. Or where we cannot book in advance, we will announce when dates are confirmed. Ask for a What's Coming Up sheet today.

IMPORTANT NOTICE

Although we do our best to ensure all dates and itineraries are confirmed in advance, as you can appreciate trying to book things for a year ahead isn't quite possible to do 100% yet.

On the following pages you will see what we plan to run and on what dates, however this is subject to change with some dates not being able to be confirmed at this early stage. Please note that some dates are therefore unconfirmed at this stage. This doesn't mean don't book as we have no doubt all trips will run on the dates planned... it just means we are putting our brochure out earlier than usual. Nothing beats a little planning in advance!

As always we will endeavour to give as much advance notice as possible of date or price changes, should a change arise. Thank you for your understanding.

Please note we reserve the right to change the price of any advertised trip due to increases in general costs such as fuel etc. Prior notice will be given and can be provided in writing upon request.
